European Security & Defence (ESD) / Digital

www.euro-sd.com

euro-sd.com is the website of the international magazine **EUROPEAN SECURITY & DEFENCE**.

It offers, supported by a global network of correspondents, news from politics, the armed forces, government organisations, industry, associations and scientific institutions, thus providing a meaningful and constantly updated complement to the expert articles published in print. Our online information service is currently free of charge, and the same applies to the e-paper version of the journal, which is also offered on the website.

euro-sd.com / Digital Advertising

Banner displays

- Term:** 1 month
- Rotation:** During peak periods up to three different banner may be rotated on a single position.
- File submission:** At least three working days prior to publication, by email to: waldemar.geiger@mittler-report.de
- Technical details:** JPEG, TIF, GIF or SWF formats. Please embed URLs with a flash file as a "clicktag" variant. File size: 512 Kb max.

Sponsored Content / Marketing Reports

Present your content in an editorial format on www.euro-sd.com. Draw extra attention to your expert information to reinforce your classical advertising message.

How it Works

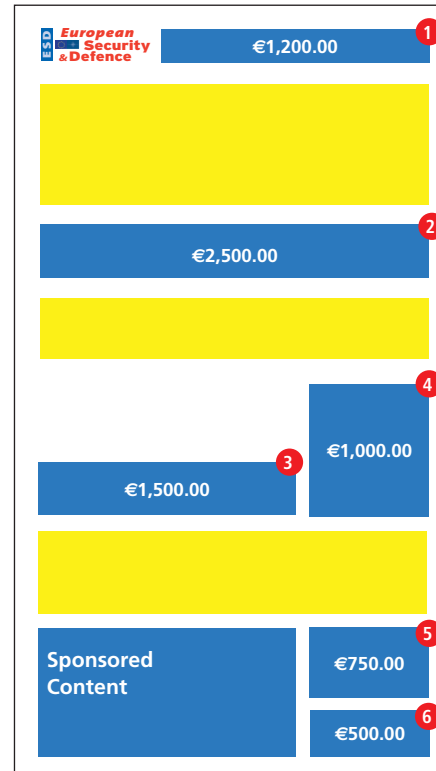

You provide the contents (text + images + video). We take care of the implementation. You will be provided your own online news post with teaser and photo on the homepage (www.euro-sd.com) and below each news item in the "News" section. A link directs visitors to the landing page with your article. This page is provided for the duration of either two weeks or one month, following which your content still remains accessible on the site via the link.

Post (home page) and content (landing page) are designated "Sponsored Content".

Term	2 weeks	1 month
	€1,750.00	€2,500.00
Special rates:	€1,000.00	€1,500.00

(Special rates apply to the parallel publication of the Marketing Report in the concurrent print edition of **EUROPEAN SECURITY & DEFENCE**.)

Europäische Sicherheit & Technik (ES&T) / Digital

www.esut.de

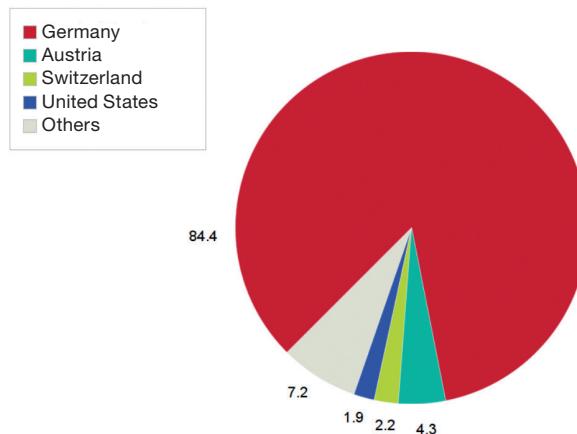

The website www.esut.de is the digital counterpart to the Europäische Sicherheit & Technik magazine in print and offers daily updated news on security policy, the armed forces and defence technology. Since its launch in December 2018, www.esut.de has established itself as the leading online medium on security policy and defence technology issues in Germany.

The portal offers readers from public administration, industry, politics and the armed forces a combination of freely accessible news and paid specialist articles and analyses from the fields of security policy, the armed forces, defence technology and the defence industry.

Soldat & Technik (S&T) / Digital

www.soldat-und-technik.de

SOLDAT & TECHNIK

SI VIS PACEM, PARA BELLUM

Since its launch in August 2020, www.soldat-und-technik.de has established itself as one of the leading specialist information portals for defence technology and defence policy topics in the German-speaking world. Within eight weeks of its launch, www.soldat-und-technik.de had amassed a growing readership of 80,000 unique users.

www.soldat-und-technik.de is a German-language online information platform with an international focus on topics related to infantry operations. The service is dedicated to infantrymen or dismounted single combat riflemen and their weaponry, equipment, training and employment.

www.soldat-und-technik.de provides expert information and news on:

- Infantry forces of all services including amphibious forces and armoured infantry
- Special forces
- Dismounted reconnaissance, including observation and designation resources
- Weaponry, including small arms, long guns, portable mortar and anti-tank weapons, ammunition, training
- Clothing and personal equipment: current and future
- Optics/optronics and signature management (visual / RF / EMS)
- Command, control and communication equipment
- Training, including medical and survival
